LIST OF TABLES

CHAPTER 1: POPULATION, LABOR FORCE, AND EMPLOYMENT STATUS

POPULATION, LABOR FORCE, AND EMPLOYMENT STATUS

Table 1-1. Employment Status of the Civilian Noninstitutional Population, 1947–2011 .................................................9
Table 1-2. Employment Status of the Civilian Noninstitutional Population, by Sex, 1975–2011 ..................................................10
Table 1-3. Employment Status of the Civilian Noninstitutional Population, by Sex, Age, Race, and Hispanic Origin, 1990–2011 ..........................................................11
Table 1-4. Employment Status of the Civilian Noninstitutional Population, by Sex, Race, and Marital Status, 1990–2011 ..........................................................17
Table 1-5. Employment Status of the Civilian Noninstitutional Population, by Region, Division, State, and Selected Territory, 2010–2011 ..........................................................20
Table 1-6. Civilian Noninstitutional Population, by Age, Race, Sex, and Hispanic Origin, 1948–2011 ..................................................21
Table 1-7. Civilian Labor Force, by Age, Sex, Race, and Hispanic Origin, 1948–2011 ..........................................................30
Table 1-8. Civilian Labor Force Participation Rates, by Age, Sex, Race, and Hispanic Origin, 1948–2011 ..................................................39
Table 1-9. Employed and Unemployed Full- and Part-Time Workers, by Age, Sex, and Race, 2000–2011 .................................................48
Table 1-10. Persons Not in the Labor Force, by Age, Sex, and Desire and Availability for Work, 2008–2011 .................................................51

EMPLOYMENT

Table 1-11. Employed Civilians, by Age, Sex, Race, and Hispanic Origin, 1948–2011 ..........................................................53
Table 1-12. Civilian Employment-Population Ratios, by Sex, Age, Race, and Hispanic Origin, 1948–2011 ..........................................................62
Table 1-13. Employed Civilians, by Sex, Race, Hispanic Origin, and Occupation, 2009–2011 ..........................................................65
Table 1-14. Employed Civilians, by Selected Occupation and Industry, 2009–2011 ..........................................................66
Table 1-15. Employed Civilians in Agriculture and Nonagricultural Industries, by Class of Worker and Sex, 1990–2011 ..........................................................69
Table 1-16. Number of Employed Persons Age 25 Years and Over, by Educational Attainment, Sex, Race, and Hispanic Origin, 2000–2011 ..........................................................70
Table 1-17. Multiple Jobholders and Multiple Jobholding Rates, by Selected Characteristics, May of Selected Years, 1970–2012 ..........................................................72
Table 1-18. Multiple Jobholders, by Sex, Age, Marital Status, Race, Hispanic Origin, and Job Status, 2008–2011 ..........................................................73
Table 1-19. Multiple Jobholders, by Sex and Industry of Principal Secondary Job, Annual Averages, 2009–2011 ..........................................................74
Table 1-20. Employment and Unemployment in Families, by Race and Hispanic Origin, Annual Averages, 2000–2011 ..........................................................75
Table 1-21. Families, by Presence and Relationship of Employed Members and Family Type, Annual Averages, 2000–2011 ..........................................................76
Table 1-22. Unemployment in Families, by Presence and Relationship of Employed Members and Family Type, Annual Averages, 2000–2011 ..........................................................77
Table 1-23. Employment Status of the Population, by Sex, Marital Status, and Presence and Age of Own Children Under 18 Years, Annual Averages, 2002–2011 ..........................................................78
Table 1-24. Employment Status of Mothers with Own Children Under 3 Years of Age, by Age of Youngest Child and Marital Status, Annual Averages, 2002–2011 ..........................................................80

UNEMPLOYMENT

Table 1-25. Unemployment Rate, by Selected Characteristics, 1948–2011 ..........................................................83
Table 1-26. Unemployed Persons, by Age, Sex, Race, and Hispanic Origin, 1948–2011 ..........................................................84
Table 1-27. Unemployment Rates of Civilian Workers, by Age, Sex, Race, and Hispanic Origin, 1948–2011 ..........................................................93
Table 1-28. Unemployed Persons and Unemployment Rates, by Selected Occupation, 2000–2011 ..........................................................102
Table 1-29. Unemployed Persons and Unemployment Rates, by Class of Worker and Industry, 2000–2011 ..........................................................103
Table 1-30. Unemployed Persons, by Duration of Unemployment, 1948–2011 ..........................................................104
Table 1-31. Long-Term Unemployment, by Industry and Selected Occupation, 2000–2011 ..........................................................105
Table 1-32. Unemployed Persons and Unemployment Rates, by Reason for Unemployment, Sex, and Age, 1975–2011 ..........................................................106
Table 1-33. Percent of the Population with Work Experience During the Year, by Age and Sex, 1987–2011.................................................................108
Table 1-34. Persons with Work Experience During the Year, by Industry and Class of Worker of Job Held the Longest, 2002–2011 .................................................................109
Table 1-35. Number of Persons with Work Experience During the Year, by Extent of Employment and Sex, 1987–2011 .................................................................110
Table 1-36. Percent Distribution of the Population with Work Experience During the Year, by Extent of Employment and Sex, 1987–2011 .................................................................111
Table 1-37. Extent of Unemployment During the Year, by Sex, 1987–2011 .........................................................................................................................112
Table 1-38. Percent Distribution of Persons with Unemployment During the Year, by Sex and Extent of Unemployment, 1987–2011 .................................................................114
Table 1-39. Number and Median Annual Earnings of Year-Round, Full-Time Wage and Salary Workers, by Age, Sex, and Race, 1987–2011 ..............................................................................116
Table 1-40. Number and Median Annual Earnings of Year-Round, Full-Time Wage and Salary Workers, by Sex and Occupation of Job Held the Longest, 2002–2011 ..............................................................................118

Table 1-41. Distribution of Employed Wage and Salary Workers by Tenure with Current Employer, Age, Sex, Race, and Hispanic Origin, January 2012 .........................................................121
Table 1-42. Median Years of Tenure with Current Employer for Employed Wage and Salary Workers, 25 Years and Over, by Educational Attainment, Sex, and Age, January 2012 .........................................................122
Table 1-43. Median Years of Tenure with Current Employer for Employed Wage and Salary Workers, by Age and Sex, Selected Years, February 1996–January 2012 ..............................................................................122
Table 1-44. Median Years of Tenure with Current Employer for Employed Wage and Salary Workers, by Industry, Selected Years, February 2000–January 2012 ..............................................................................123

Table 1-45. Employment Status of the Population, by Sex and Marital Status, March 1990–March 2012 .................................................................124
Table 1-46. Employment Status of All Women and Single Women, by Presence and Age of Children, March 1990–March 2012 .................................................................126
Table 1-47. Employment Status of Ever-Married Women and Married Women, Spouse Present, by Presence and Age of Children, March 1990–March 2012 ..............................................................................127
Table 1-49. Number and Age of Children in Families, by Type of Family and Labor Force Status of Mother, March 1990–March 2012 ..............................................................................130
Table 1-50. Number of Families and Median Family Income, by Type of Family and Earner Status of Members, 1990–2011 ..............................................................................131

Table 1-51. Employment Status of the Foreign-Born and Native-Born Populations, by Selected Characteristics, 2010–2011 ..............................................................................133
Table 1-52. Employment Status of the Foreign-Born and Native-Born Populations Age 16 Years and Over, by Sex and Presence and Age of Youngest Child, Annual Averages, 2010–2011 ..............................................................................135
Table 1-53. Employment Status of the Foreign-Born and Native-Born Populations Age 25 Years and Over, by Educational Attainment, Race, and Hispanic Origin, Annual Averages, 2010–2011 ..............................................................................137
Table 1-54. Employed Foreign-Born and Native-Born Persons Age 16 Years and Over, by Occupation and Sex, 2010–2011 Annual Averages ..............................................................................138
Table 1-55. Median Usual Weekly Earnings of Full-Time Wage and Salary Workers for the Foreign-Born and Native-Born Populations, by Selected Characteristics, 2010–2011 Annual Averages ..............................................................................139

Table 1-56. Percent Distribution of the Civilian Labor Force Age 25 to 64 Years, by Educational Attainment, Sex, and Race, March 1990–March 2012 ..............................................................................140
Table 1-57. Labor Force Participation Rates of Persons Age 25 to 64 Years, by Educational Attainment, Sex, and Race, March 1990–March 2012 .................................................................142
Table 1-58. Unemployment Rates of Persons Age 25 to 64 Years, by Educational Attainment and Sex, March 1990–March 2012 .................................................................144
Table 1-59. Workers Age 25 to 64 Years, by Educational Attainment, Occupation of Longest Job Held, and Sex, 2010–2011 .................................................................146
Table 1-60. Percent Distribution of Workers Age 25 to 64 Years, by Educational Attainment, Occupation of Longest Job Held, and Sex, 2010–2011 .................................................................148
Table 1-61. Median Annual Earnings of Year-Round, Full-Time Wage and Salary Workers Age 25 to 64 Years, by Educational Attainment and Sex, 2000–2011 .................................................................150

PERSONS WITH A DISABILITY: LABOR FORCE CHARACTERISTICS

Table 1-62. Employment Status of the Civilian Noninstitutional Population by Disability Status and Selected Characteristics, 2011 Annual Averages ........................................................................................................152
Table 1-63. Employed Full- and Part-Time Workers by Disability Status and Age, 2011 Annual Averages ........................................................................................................152
Table 1-64. Employed Persons by Disability Status, Occupation, and Sex, 2011 Annual Averages ........................................................................................................153
Table 1-65. Persons Not in the Labor Force by Disability Status, Age, and Sex, 2011 Annual Averages ........................................................................................................153

EMPLOYMENT SITUATION OF VETERANS

Table 1-66. Employment Status of Persons 18 Years and Over by Veteran Status, Period of Service, Sex, Race, and Hispanic or Latino Ethnicity, 2011 Annual Averages ........................................................................................................154
Table 1-67. Employment Status of Persons 18 Years and Over by Veteran Status, Age, Period of Service, and Sex, 2011 Annual Averages ........................................................................................................155
Table 1-68. Employment Status of Gulf War Veterans by Reserve or National Guard Status, August 2011, Not Seasonally Adjusted ........................................................................................................158
Table 1-69. Employed Persons 18 Years and Over by Occupation, Sex, Veteran Status, and Period of Service, 2011 Annual Averages ........................................................................................................159
Table 1-70. Employed Persons 18 Years and Over by Industry, Class of Worker, Sex, Veteran Status, and Period of Service, 2011 Annual Averages ........................................................................................................160
Table 1-71. Employed Persons 18 Years and Over by Veteran Status, Presence of Service-Connected Disability, Period of Service, and Class of Worker, August 2011, Not Seasonally Adjusted ........................................................................................................161

CHAPTER 2: EMPLOYMENT, HOURS, AND EARNINGS

EMPLOYMENT AND HOURS

Table 2-1. Employees on Nonfarm Payrolls, by Super Sector and Selected Component Groups, NAICS Basis, 2000–2011 ........................................................................................................169
Table 2-2. Women Employees on Nonfarm Payrolls, by Super Sector and Selected Component Groups, NAICS Basis, 2000–2011 ........................................................................................................171
Table 2-3. Production Workers on Private Nonfarm Payrolls, by Super Sector, NAICS Basis, 2000–2011 ........................................................................................................171
Table 2-4. Production Workers on Manufacturing Payrolls, by Industry, NAICS Basis, 2000–2011 ........................................................................................................172
Table 2-5. Total Employees on Manufacturing Payrolls, by Industry, NAICS Basis, 2000–2011 ........................................................................................................172
Table 2-6. Average Weekly Hours of All Employees on Private Nonfarm Payrolls by NAICS Super Sector, 2007–2011 ........................................................................................................173
Table 2-7. Average Weekly Hours of Production Workers on Private Nonfarm Payrolls, by Super Sector, NAICS Basis, 2000–2011 ........................................................................................................174
Table 2-8. Employees on Total Nonfarm Payrolls, by State and Selected Territory, 1970–2011 ........................................................................................................175
Table 2-9. Employees on Total Private Payrolls, by State and Selected Territory, 2000–2011 ........................................................................................................178
Table 2-10. Employees on Manufacturing Payrolls, by State and Selected Territory, NAICS Basis, 2000–2011 ........................................................................................................179
Table 2-11. Employees on Government Payrolls, by State and Selected Territory, NAICS Basis, 2000–2011 ........................................................................................................180

EARNINGS

Table 2-12. Average Hourly Earnings of All Employees on Total Private Payrolls by NAICS Super Sector, 2007–2011 ........................................................................................................182
Table 2-13. Average Hourly Earnings of All Employees on Total Private Payrolls, by State, NAICS Basis, 2007–2011 ........................................................................................................183
Table 2-14. Average Hourly Earnings of Production Workers on Private Nonfarm Payrolls, by Super Sector, NAICS Basis, 2000–2011 .................................................................184
Table 2-17. Average Weekly Earnings of All Employees on Total Private Payrolls, by State, NAICS Basis, 2007–2011 .................................................................187

QUARTERLY CENSUS OF EMPLOYMENT AND WAGES

Table 2-18. Employment and Average Annual Pay for Covered Workers, by Industry, NAICS Basis, 2006–2011 .................................................................189
Table 2-19. Employment and Average Annual Pay for Covered Workers, by State and Selected Territory, 2006–2011 .................................................................190

BUSINESS EMPLOYMENT DYNAMICS

Table 2-20. Private Sector Gross Job Gains and Job Losses, Seasonally Adjusted, March 1996–December 2011 .................................................................194
Table 2-21. Private Sector Gross Job Gains and Job Losses, as a Percent of Employment, Seasonally Adjusted, March 1996–December 2011 .................................................................195
Table 2-22. Three-Month Private Sector Job Gains and Losses, by Industry, Seasonally Adjusted, December 2010–December 2011 .................................................................196
Table 2-23. Private Sector Job Gains and Losses, by State and Selected Territory, Seasonally Adjusted, December 2010–December 2011 .................................................................197
Table 2-24. Private Sector Job Gains and Losses as a Percent of Total Employment, by State and Selected Territory, Seasonally Adjusted, December 2010–December 2011 .................................................................198

CHAPTER 3: OCCUPATIONAL EMPLOYMENT AND WAGES

Table 3-1. Employment and Wages, by Major Occupational Group, May 2008–May 2011 .................................................................203
Table 3-2. Distribution of Employment, by Wage Range and Occupational Group, May 2011 .................................................................204
Table 3-3. Employment and Wages, by Occupation, May 2011 .................................................................205

CHAPTER 4: LABOR FORCE AND EMPLOYMENT PROJECTIONS BY INDUSTRY AND OCCUPATION

Table 4-1. Civilian Labor Force, by Age, Sex, Race, and Hispanic Origin, 1990, 2000, 2010, and Projected 2020 .................................................................221
Table 4-2. Fastest-Growing Occupations, 2010 and Projected 2020 .................................................................224
Table 4-3. Occupations with the Largest Job Growth, 2010–2020 .................................................................225
Table 4-5. Industries with the Largest Wage and Salary Employment Growth and Declines, 2010–2020 .................................................................226
Table 4-7. Employment and Output, by Industry, 2000, 2010, and Projected 2020 .................................................................227
Table 4-8. Employment, by Occupation, 2010 and Projected 2020 .................................................................230
Table 4-9. Employment and Total Job Openings by Education, Work Experience, and On-the-Job Training Category, 2010 and Projected 2020 .................................................................242

CHAPTER 5: PRODUCTIVITY AND COSTS

Table 5-1. Indexes of Productivity and Related Data, 1947–2011 .................................................................248
Table 5-2. Average Annual Percent Change in Output Per Hour and Related Series, Selected Industries, 1987–2010 and 2009–2010 .................................................................252
Table 5-3. Average Annual Percent Change in Output Per Hour and Related Series, Wholesale Trade, Retail Trade, Food Services and Drinking Places, 1987–2011 and 2010–2011 .................................................................255
Table 5-4. Indexes of Multifactor Productivity and Related Measures, 1990–2011 .................................................................256
CHAPTER 6: COMPENSATION OF EMPLOYEES

EMPLOYMENT COST INDEX (ECI)

Table 6-1. Employment Cost Index, Private Industry Workers, Total Compensation and Wages and Salaries, by Selected Industry and Occupation, 2001–2012.........261
Table 6-2. Employment Cost Index, Private Industry Workers, Total Compensation and Wages and Salaries, by Bargaining Status and Selected Industry, 2001–2012 ........264
Table 6-3. Employment Cost Index, Private Industry Workers, Total Compensation and Wages and Salaries, by Region, and Metropolitan Area Status, 2001–2012 ..........266
Table 6-4. Employment Cost Index, Benefits, by Industry and Occupation, 2001–2012........268

EMPLOYER COSTS FOR EMPLOYEE COMPENSATION (ECEC)

Table 6-5. Employer Compensation Costs Per Hour Worked for Employee Compensation and Costs as a Percent of Total Compensation: Private Industry Workers, by Major Industry Group, June 2012 ..........................................................271
Table 6-6. Employer Compensation Costs Per Hour Worked for Employee Compensation and Costs as a Percent of Total Compensation: Private Industry Workers, by Census Region and Area, June 2012 .................................................................272
Table 6-7. Employer Compensation Costs Per Hour Worked for Employee Compensation and Costs as a Percent of Total Compensation: State and Local Government, by Major Occupational and Industry Group, June 2012 .................................................................274
Table 6-8. Employer Compensation Costs Per Hour Worked for Employee Compensation and Costs as a Percent of Total Compensation: Private Industry Workers, by Establishment Employment Size, June 2012.................................275

EMPLOYEE BENEFITS SURVEY

Table 6-10. Medical Care Benefits: Access, Participation, and Take-Up Rates, March 2012 ..........278
Table 6-12. Medical Plans: Share of Premiums Paid by Employer and Employee for Family Coverage, March 2012 .................................................................280
Table 6-13. Quality of Life Benefits: Access for Civilian Workers, March 2012 .................................281
Table 6-14. Access to Paid Sick Leave, Vacation, and Holidays, March 2012.................................282

CHAPTER 7: RECENT TRENDS IN THE LABOR MARKET

MASS LAYOFFS

Table 7-1. Mass Layoff Events and Initial Claimants for Unemployment Insurance, 1999–September 2012, Seasonally Adjusted .................................................................287
Table 7-2. Mass Layoff Events and Initial Claimants for Unemployment Insurance, 1999–September 2012, Not Seasonally Adjusted .................................................................289
Table 7-3. Industry Distribution: Mass Layoff Events and Initial Claimants for Unemployment Insurance, 2000–September 2012 .................................................................291
Table 7-4. Mass Layoff Events and Initial Claimants for Unemployment Insurance, by Region and State, 2000–September 2012 .................................................................295
Table 7-6. Extended Mass Layoffs by Age and Sex in Private Nonfarm Business, 2000–2012 ....300

JOB OPENINGS AND LABOR TURNOVER SURVEY

### Table 7-9: Separations Levels and Rates, by Industry, December 2000–September 2012

Table 7-10: Quits Levels and Rates, by Industry, December 2000–September 2012

Table 7-11: Layoffs and Discharges Levels and Rates, by Industry, December 2000–September 2012

### CHAPTER 8: LABOR-MANAGEMENT RELATIONS

Table 8-1: Work Stoppages Involving 1,000 Workers or More, 1947–2011

Table 8-2: Union Affiliation of Employed Wage and Salary Workers, by Selected Characteristics, 2006–2011

Table 8-3: Union Affiliation of Wage and Salary Workers, by Occupation and Industry, 2010–2011

Table 8-4: Median Weekly Earnings of Full-Time Wage and Salary Workers, by Union Affiliation, Occupation, and Industry, 2010–2011

Table 8-5: Union or Employee Association Members Among Wage and Salary Employees, 1977–2011

Table 8-6: Union Affiliation of Employed Wage and Salary Workers, by State, 2010–2011

### CHAPTER 9: PRICES

**Producer Price Index**

Table 9-1: Producer Price Indexes, by Stage of Processing, 1947–2011

Table 9-2: Producer Price Indexes, by Commodity Group, 1913–2011

**Consumer Price Index**

Table 9-3: Consumer Price Indexes, All Urban Consumers (CPI-U): U.S. City Average, Major Groups, 1957–2011

Table 9-4: Consumer Price Indexes, All Urban Consumers (CPI-U): U.S. City Average, Commodity, Service, and Special Groups, 1957–2011

Table 9-5: Consumer Price Indexes, All Urban Consumers (CPI-U): U.S. City Average, Selected Groups and Purchasing Power of the Consumer Dollar, 1913–2011

Table 9-6: Consumer Price Indexes, Urban Wage Earners and Clerical Workers (CPI-W): U.S. City Average, Major Groups, 1913–2011

Table 9-7: Consumer Price Indexes, All Urban Consumers (CPI-U): U.S. City Average, by Expenditure Category, 1990–2011

Table 9-8: Relative Importance of Components in the Consumer Price Index: U.S. City Average, Selected Groups, December 1997–December 2011

Table 9-9: Consumer Price Indexes, All Urban Consumers (CPI-U), All Items: Selected Metropolitan Statistical Areas, Selected Years, 1975–2011

Table 9-10: Consumer Price Index Research Series, Using Current Methods (CPI-U-RS), by Month and Annual Average, 1977–2011

**Export and Import Price Indexes**

Table 9-14: U.S. International Price Indexes for Selected Transportation Services, 1990–2011

### CHAPTER 10: INTERNATIONAL LABOR COMPARISONS

Table 10-3: Unemployment Rates Among Youth, Adjusted to U.S. Concepts, 12 Countries, 1970–2011

Table 10-10. Average Annual Hours Worked Per Employed Person, 16 Countries, 1970–2011 .................................................................388
Table 10-11. Percent Change in Average Annual Hours Worked Per Employed Person, 16 Countries, Selected Years, 1979–2011 .........................388
Table 10-12. Real Gross Domestic Product (GDP) Per Capita, 16 Countries, 1960–2011 .................................................................389
Table 10-13. Real Gross Domestic Product (GDP) Per Employed Person, 16 Countries, 1960–2011 .................................................................390
Table 10-14. Real Gross Domestic Product (GDP) Per Hour Worked, 16 Countries, 1970–2011 .................................................................391
Table 10-15. Real Gross Domestic Product (GDP) Per Capita and Per Employed Person, Average Annual Percent Change, 16 Countries, Selected Years, 1979–2011 .................................................................392
Table 10-16. Real Gross Domestic Product (GDP) Per Hour Worked, Average Annual Percent Change, 16 Countries, Selected Years, 1979–2011 .................................................................392

CHAPTER 11: CONSUMER EXPENDITURES

Table 11-1. Consumer Expenditures, Annual Average of All Consumer Units, 2000–2011 .................................................................398
Table 11-2. Shares of Annual Average Consumer Expenditures and Characteristics of All Consumer Units, 2000–2011 .................................................................399
Table 11-3. Consumer Expenditures, Averages by Income Before Taxes, 2011 .................................................................400
Table 11-4. Consumer Expenditures, Averages by Higher Income Before Taxes, 2011 .................................................................401
Table 11-5. Consumer Expenditures, Averages by Quintiles of Income Before Taxes, 2011 .................................................................402
Table 11-6. Consumer Expenditures, Averages by Occupation of Reference Person, 2011 .................................................................403
Table 11-7. Consumer Expenditures, Averages by Number of Earners, 2011 .................................................................404
Table 11-8. Consumer Expenditures, Averages by Size of Consumer Unit, 2011 .................................................................405
Table 11-9. Consumer Expenditures, Averages by Composition of Consumer Unit, 2011 .................................................................406
